October Respect Life Month

"Be Not Afraid"

October is annually observed as Respect Life Month in Catholic Churches across this nation.

This year the U.S. Bishops have chosen *Be Not Afraid* as the 2017-2018 Respect Life Motto. It is a call and responsibility to stand for every human life, from its very earliest beginnings in the womb, until its inevitable natural end.

As Pope St. John Paul II once said, "*There is a conspiracy against life that leads to a culture of death. But, there is also a Gospel of Life which demands that we love one another for love does no wrong to our neighbor. We are a people of life and for life.*"

The names of cities like Orlando, Barcelona, London and Charlottesville have loaded meanings for us because of events that have taken place not long time ago. These events are the result of the culture of death that threatens to become normative. This all starts with a conspiracy against life, which starts with the erroneous belief that a life in the womb has no rights, has no inherent value or dignity, which one may choose to treat however one wishes, even with death.

"Everything is interconnected, and that genuine care for our own lives and our relationships with nature is inseparable from fraternity, justice and faithfulness to others" (*Pope Francis; Laudato Si'*). Once we place ourselves at the center, we give absolute priority to immediate convenience and all else becomes relative (LS).

Once we believe that an unborn child has no rights, not even a right to life, then our self-centeredness allows us to slowly devalue other lives. It can even become reasonable to accept that:

- Some people are "not as equal as others" because of their race, color, religion, sex, or gender.
- Capital punishment is a needed means of discipline.
- Helping someone to "die with dignity" by means of euthanasia is not the direct, willed choice to take the life of another human person.

The culture of death pervades; *be not afraid* to proclaim the Gospel of Life!

We are a people of life and for life. We must not be afraid of proclaiming the Gospel of Life. We must not remain silent about the lives Jesus died to save.

We are encouraged to be people of life and for life. Let's not be afraid to take up the call to stand for life by trying to limit public funding for abortion – not as a political issue, but to respond to the Gospel call on this moral issue.

REGISTER YOUR CHILD NOW FOR CCD, FIRST COMMUNION, CONFIRMATION OR RCIA .

We can write our Governor and ask him to commute the sentences of those on death row from capital punishment to life without parole.

We can talk to an unfamiliar parishioner who looks different from us.

Above all we can offer our prayers, especially our participation in the Holy Eucharist, Adoration of the Blessed Sacrament, and our daily rosary for life.

To be pro-life is a sensitive and a very critical need for our people today.
Be not Afraid!

Q. Why was Jesus' Glorified body scarred?

Catholic
Answers 33

From my understanding, our glorified bodies will be restored to proper condition, and we will no longer have any physical needs such as the need for food and drink. Why was Jesus scarred and why did he eat after his resurrection?

A. He retained the marks of the crucifixion to show those who saw Him that it was truly Himself. He ate to show them, as He said, the He was not merely a spirit; He was flesh and blood
