# UNITED STATES CONFERENCE OF CATHOLIC BISHOPS

## The Catholic Campaign for Human Development (CCHD)

Too many people in the United States find themselves living in poverty. It is true that poverty challenges us daily, but it also presents an opportunity for true encounter and solidarity with the poor so the joy and hope of the Gospel can be brought to those who are in great need.

In 1970, the Catholic bishops of the United States started “The Campaign for Human Development” also known as “CCHD”. This initiative brings Catholic social teaching to life by funding community and economic development programs across the United States that help poor and marginalized people join together to make decisions, seeking solutions to local problems, and finding ways to improve their lives and neighborhoods. CCHD also provides educational opportunities for Catholics to learn about poverty, stand in solidarity with those affected by it, and reflect on their own responsibility before the great need of others.

### How can we be involvement and make a difference?

1. **By learning** more about poverty (please visit [www.povertyusa.org](http://www.povertyusa.org))
2. **By praying** for those who give and receive CCHD support.
3. **And by supporting** a special annual collection.

The **2018 Catholic Campaign for Human Development (CCHD) Collection** will take place in parishes throughout our diocese **next weekend, November 17-18**.

This year, CCHD awarded \$240,000 to 12 programs in Alameda and Contra Costa counties. These included:

- **Northern California Land Trust** to create permanently affordable housing for low and moderate income residents in the East Bay.
- **United Seniors of Oakland and Alameda County** to address food insecurity experienced by low-income and homebound seniors.
- **Monument Impact** to provide mental health and leadership development for Day Laborers in Concord

We thank you in advance for your generous support. Special envelopes are inserted in today's bulletin for your convenience. Please make your check payable to **OLGC** with "*The Catholic Campaign For Human Development*" or simply "CCHD" on the memo line.

### TREASURES FROM OUR TRADITION

Veterans Day began with the signing of a symbolic treaty between the Allies and Germany ending World War I (then called the "Great War") on the eleventh hour of the eleventh day of the eleventh month. The auspicious date was actually a well-established religious holiday, the feast of Saint Martin of Tours, a beloved soldier saint of the army of Rome. After World War II, Armistice Day was changed to Veterans Day in the United States and Remembrance Day in Britain, but of course the feast of Saint Martin endures.

Martin was named after Mars, the god of war, and against the advice of his parents he went on his own to church. He became a catechumen at the age of ten. By fifteen he was enlisted in the cavalry in France. Coming across a poor man, Martin had an impulse to divide his bright red soldier's cape and clothe him. He later had the insight that he had served Christ, and the other half of his cape became a lifelong sign to him of his duty to serve the poor. Housed in a tiny church *capella* or "chapel," the cape became a great object of pilgrimage on the way to Compostella, and a favored place for the prayers of soldiers. Martin was not so eager to serve as bishop as he had been as a soldier, and legend says that he hid in a barn filled with geese to avoid episcopal election. To this day, the customary meal for November 11 is goose! Traditionally, this is the last feast day before winter closes in, and begins a period of fasting once known as "Saint Martin's Lent" or "Martinmas," that later developed into the season of Advent.

**Q. "Why are we punished for Adam and Eve's sin?"**

**A.** As descendants of Adam and Eve, we are born into original sin. The nature we have inherited is in a fallen condition, negatively affected by the absence of sanctifying grace, lost through Adam's sin. That original sin, though, is not something we have "committed"-it is "condition" we inherit (CCC 404).

**Catholic Answer** 071

After our first parents' sin, God did not abandon us to sin and death. He sent His only Son who, through His death on the cross, not only makes amends for the sin of Adam and of the whole world, but renews all things in Himself: "I have come that you may have life, and have it to the full" Jn 10:10). Therefore, it is Christ who restores that which was lost through original sin and raises us up to even greater heights by inviting us to share in his very life. This is the reason why baptism is so important. It is the means by which sanctifying grace enters our souls and our friendship with God is restored.

If Adam and Eve had remained faithful to God, their children would have inherited the same nature enjoyed by their parents in the garden. However, this does not mean they had an exclusive right to that inheritance. Furthermore, if we had also gained that inheritance, we can hardly imagine that we would be complaining about having it so good, especially when considering we *did nothing* to deserve it. We should keep this in mind when we compare the sin of Adam and Eve with our own sins and lack of faithfulness to God.
