## GOD IS ON THE SIDE OF THE POOR

Two of today's readings make it quite clear that God is on the side of the poor. Amos describes in detail the exploitation of the poor and needy. The psalm repeats that God acts to benefit the poor and lowly. But Luke turns things upside down, telling a tale of a conflicted steward, about to be fired, who demonstrates his cleverness and is rewarded. Like the community to whom Paul writes in Timothy, these readings are personal, directed to believers, members of the Jewish and Christian communities, who struggle to deal with personal choices about how to conduct their lives. They offer an outline for how God wishes us to live in a world as complicated and as confusing as our own.

## RCIA CLASSES AT OLCG

### What is RCIA?

The Rite of Christian Initiation of Adults, or RCIA, is a program which prepares candidates to make a conscious choice to receive Baptism, Eucharist, and/or Confirmation - the Sacraments of Initiation offered by the Catholic Church.

### What is the time commitment for RCIA?

The RCIA group meets once a week on Sunday between Masses from October to April. It's best if candidates can be at most meetings because each lesson builds on earlier lessons.

### What if I'm not sure I want to become Catholic or be Confirmed?

Not a problem! Our RCIA program is structured in a way that invites you to make small commitments until you're sure you want to proceed. The initial meetings are designed to answer some basic questions, and give you a feel for what the journey would be like. After the first few classes, we'll explore the core Christian message while beginning to answer your most burning questions. At the end of November, we will invite you to decide where you'd like this process to take you.

### What should to register for RCIA classes?

Please call George Ybanez at (510)449-4832 or contact our parish office at (510) 614-2765

Please sign me up to attend the initial inquiry meetings of RCIA beginning in October 2019.

## TREASURES FROM OUR TRADITION

Although June is the month most associated with weddings in the United States, September has become more popular in recent years. Wedding celebrations always require some savvy planning, and people who have a talent for hospitality in the mix. At the wedding feast at Cana, the mother of Jesus was recruited to deal with some of the details of the banquet, and when a very understandable crisis arose, she did what she could to rescue the party. Anyone who has ever run out of ice, dessert, or table settings knows the stress!

Slowly, the memory of Jesus Christ's blessing of this marriage feast led the Church to form a way to bless marriages. A thousand years ago weddings migrated from the family home to the doors of the church, where the celebration was held in public view. From this practice came a prayer called the "Nuptial Blessing," one of the most solemn prayers in our tradition. It is very much like the prayers by which baptismal water and chrism are consecrated, the ordination prayer over a priest, and the Eucharistic Prayers over bread and wine. Four hundred fifty years ago, weddings moved inside the church building. All of this gives married couples good reason to celebrate their anniversaries well, especially with the clinking of glasses filled with good wine.
